HUSKY 701 TAIL RACK HTP 10-2-70

Thank you for purchasing Happy Trails products. Our products are proudly hand made in Boise Idaho, USA. If you have any questions or concerns about the installation of this product, please contact us directly at 1-800-444-8770 or e-mail support@happy-trail.com.

Before you begin, place the bike on a hard level surface where you have room to work. Lay out the parts included in this kit and compare to the parts list on page 3 of these instructions. If any parts or hardware are missing, contact us immediately at the number or email listed above.

IMPORTANT!!!!

When installing Happy Trails racks, leave all bolt connections loose until the entire product is installed. Then go back and tighten all connections. We recommend the use of thread locking compound.

Step 1: Remove the grab handles

Step 2: Place 1" spacers in the front grab handle mounting recessed holes in the fender

Step 3: Place 1/2" spacers in the rear grab handle mounting recessed holes in the fender

Step 4: Place top plate on as shown in figure 1

Step 5: Insert the 8x40mm BH bolts with washers in the front and the 8x35mm BH bolts with washers in the rear

Step 6: Tighten bolts, the installation is complete.
