

HTP9-1-3 YAMAHA XT225 OSR RACK

Thank you for purchasing Happy Trails products. Our products are proudly hand made in Boise Idaho, USA. If you have any questions or concerns about the installation of this product, please contact us directly at 1-800-444-8770 or e-mail installation@happy-trail.com.

Before you begin, place the bike on a hard level surface where you have room to work. Lay out the parts included in this kit and compare to the parts list on the final of these instructions. If any parts or hardware are missing, contact us immediately at the number or email listed above.

Step 1

Begin by removing the upper passenger footpeg bolt as shown in Fig 1.

Fig1

Step 2

Remove both grab handle bolts as shown in Fig 2.

Fig 2

Step 3

Attach the OSR bar to the upper passenger peg bolt hole using an M825S bolt. Do not tighten this bolt completely.

Attach the OSR Bar to the rear grab handle mount point using an M830S bolt. You may now tighten both bolts completely. Installation is the same on both sides of the motorcycle.
